

X-SNAPPER PASSIVE SECURITY

XS range

The nexmosphere X-Snapper is a unique product to display small merchandise, like hand-held devices out of the box. It is simple to install, use, and maintain due to the high-quality finishing and non-marking double-sided tape.

Features

- Small form factor

Benefits

- Your merchandise always correctly displayed
- Small, super strong, hidden by your merchandise
- X-shape has a lock function, so x-snapper stays firmly on vertical position
- 4 strong neodymium magnets ensure that the product always returns to its original position
- Securely mounts on any flat surface, horizontal, vertical, or angled
- 5mm screw hole for surface mounting
- Light and flexible cable allows customers to experience the real weight and feel of the merchandise
- Easily removable non-marking double-sided tape

Miscellaneous

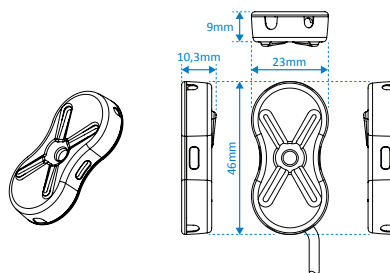

- 4 colors standard available (white/grey/black/transparent)
- Custom colors and cable length available on request
